Have you included a signed Indemnification Agreement?	Yes	Yes	Yes	Yes	Yes
Can you meet the City's insurance requirements?	Yes	Yes	Yes	Yes	Yes
Have you provided a completed W-9?	Yes	Yes	Yes	Yes	Yes
State any exceptions, substitutions or deviations from the City specifications along with reason for same:	None	Binder assembly is a one time fee of \$1000 per site, applied in the first year of the agreement, in addition to the listed quarterly Class B operator fee.	None	None	The contract includes a visual inspection and report of the facility only. Any and all needed repairs or removal and disposal of debris, liquids and soils will be reported to the designated agency representative. Any and all work in addition to the inspection and report will be performed and invoiced additional at time and material.
Additional Comments/Points Not Addressed:	Please refer to the pricing assumptions made on a separate page enclosed later in this section	Should the Agency's site(s) be inspected/audited by any authority having jurisdiction related to UST services, Arch will provide support for the agency as needed, on a time and material basis. The support may include, but not be limited to: accompanying the inspector during and audit, corresponding with and submitting any reports required by the inspector, and coordination of any corrective actions required by the inspector.	Copy of ATC Group Services LLC certificate of liability insurance is attached. Also attached please find copy of ATC Group Services LLC ISID award letter and associated labor rates which are applicable through MiDeal program.	None	See Attached Schedule of Fees and Class A/B Operator Services Contract Documents. Pricing for contaminated soil removal/disposal, if required, to be determined based upon volume, extent of contamination, and location of the disposal facility and their associated fees. Pricing for additional MITN and Associate entities can be provided upon request with the supply of the facility's location and MDEQ ID number.
