

**Village of
ST. CHARLES**

Vendors:

Unfortunately, there is no award for this project at this time. Due to the wide-ranging prices and scopes, the Village of St. Charles will be rebidding the project at a later date with a more defined request.

Thank you for all of those who submitted proposals. I hope you consider resubmitting when we are able to further develop the scope of the project on our end and republish the RFP.

Best Regards,

Matthew S. Lane,
Village Manager
